NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
01	Is there a dedicated page on the Charter of the territorial community on the city council's official website, outside the Documents section?	2	**2**	Implemented
02	Does the dedicated page on the Charter of the territorial community contain the full, up-to-date version of the document, together with information on its approval and amendments?	2	**2**	Implemented
03	Is there a dedicated page on the Rules of Procedure of the city council on the city council's official website, outside the Documents section?	2	**2**	Implemented
04	Does the dedicated page on the Rules of Procedure of the city council contain the full, up-to-date version of the document, together with information on its approval and amendments?	2	**2**	Implemented
05	Are the city council's decisions published on the city council's official website?	2	**2**	Implemented
06	Are the executive committee's decisions published on the city council's official website?	2	**2**	Implemented
07	Are the mayor's orders published on the city council's official website?	2	**2**	Implemented
08	Are the minutes of city council meetings, including voting results, published on the city council's official website?	3	**3**	Implemented
09	Are the minutes of executive committee meetings, including voting results, published on the city council's official website?	3	**0**	Not implemented
10	Are the minutes of standing committee meetings, including voting results, published on the city council's official website?	3	**3**	Implemented
11	Are city council meetings (sessions) announced at least one day in advance on the city council's official website?	2	**2**	Implemented
12	Are executive committee meetings announced at least one day in advance on the city council's official website?	2	**2**	Implemented
13	Are standing committee meetings announced at least one day in advance on the city council's official website?	2	**0**	Not implemented
14	Do the announcements of city council meetings (sessions) contain: a) date; b) link to the broadcast; c) a link to the agenda / list of issues?	3	**3**	Implemented
15	Do the announcements of executive committee meetings contain: a) date b) link to the broadcast; c) a link to the agenda / list of issues?	3	**3**	Implemented
16	Do the announcements of standing committee meetings contain: a) date b) link to the broadcast; c) a link to the agenda / list of issues?	3	**0**	Not implemented
17	Are city council meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting?	3	**3**	Implemented
18	Are executive committee meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting?	3	**0**	Not implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
19	Are standing committee meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting?	3	**3**	Implemented
20	Is an up-to-date Social and Economic Development Program published on the city council's official website?	3	**3**	Implemented
21	Is an up-to-date Territorial Community Development Strategy published on the city council's official website?	3	**0**	Not implemented
22	Is there a dedicated section (page) on the regulatory activity of the local self-government body on the city council's official website?	2	**2**	Implemented
23	Are links to the legal regulations in force adopted by the city council and its executive bodies published in the dedicated section (page) on regulatory activity?	2	**2**	Implemented
24	Are links to the up-to-date Plans for Preparing Draft Legal Regulations of the city council and its executive committee published in the dedicated section (page) on regulatory activity?	2	**2**	Implemented
25	Is there a dedicated page with up-to-date information on local taxes and fees on the city council's official website?	2	**2**	Implemented
26	Is there a dedicated section (page) on citizen access to meetings on the city council's official website?	3	**3**	Implemented
27	Does the dedicated section (page) on citizen access to meetings publish instructions with a detailed step-by-step procedure for residents to attend the city council's in-person meetings?	3	**0**	Not implemented
28	Does the dedicated section (page) on citizen access to meetings publish instructions with a detailed step-by-step procedure for residents to attend the city council's online (remote) meetings?	3	**0**	Not implemented
29	Is there a dedicated section (page) on the eRestoration program and/or the work of the commission(s) reviewing applications for compensation for real estate damaged/destroyed as a result of hostilities, terrorist acts, or sabotage caused by the armed aggression of the Russian Federation against Ukraine on the city council's official website?	2	**2**	Implemented
30	Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain up-to-date, city-council-level aggregated statistics on: 1) the total number of decisions adopted on granting compensation for damaged property; 2) the total number of approvals of compensation for damaged property; 3) the total number of refusals of compensation for damaged property; 4) the total amount of compensation calculated under the decisions granting compensation for damaged property?	3	**0**	Not implemented
31	Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain up-to-date, city-council-level aggregated statistics on: 1) the total number of decisions adopted on granting compensation for destroyed property; 2) the total number of approvals of compensation for destroyed property; 3) the total number of refusals of compensation for destroyed property; 4) the total amount of compensation calculated under the decisions granting compensation for destroyed property.	3	**0**	Not implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
32	Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain links to the commission(s)' meeting minutes / decisions that specify the amounts of compensation granted?	3	**0**	Not implemented
33	Is there a dedicated section (page) on humanitarian aid on the city council's official website or another specialized website?	2	**0**	Not implemented
34	Does the dedicated section (page) on humanitarian aid contain a link to the current Procedure for Receiving and Distributing Humanitarian Aid?	3	**0**	Not implemented
35	Does the dedicated section (page) on humanitarian aid contain a List of Recipients of humanitarian aid (city council departments, municipal enterprises, and municipal institutions), their full names, and their USREOU codes?	3	**0**	Not implemented
36	Is there a dedicated section / guide on the city council's official website or another specialized website with up-to-date, structured information for defenders concerning: a) rehabilitation (medical, psychological, etc.); b) professional adaptation; c) financial support; d) support for defenders' family members; e) benefits?	2	**2**	Implemented
37	Is there a dedicated section on the city council's official website or another specialized website with up-to-date, structured information for internally displaced persons (IDPs) concerning: a) housing for IDPs; b) employment for IDPs; c) services for IDPs (medical, educational, legal, etc.); d) humanitarian aid for IDPs; e) the work of the IDP Council?	2	**2**	Implemented
38	Does the search tool on the website's homepage work correctly for news content?	2	**2**	Implemented
39	Does the search tool on the website's homepage work correctly across various types of content (News, Announcements, Events, Information pages, Legal Regulations, etc.)?	3	**3**	Implemented
40	Are the following provided for users of the city council's official website with visual impairments: a) the ability to enlarge text without a horizontal scroll bar appearing; b) sufficient color contrast between text and background (a contrast ratio of at least 3 for headings and 4.5 for body text); c) alt text for every image; d) screen-reader compatibility?	2	**2**	Implemented

Indicators · E-services

Fully implemented: 26 of 40

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
01	Has the city council published its current Informatization Program on its official website?	5	**5**	Implemented
02	Is there a separate specialized city council website / a separate section of the city council's official website / a separate block on the home page of the official website dedicated to electronic services, containing working links to the available services (at least 7)?	5	**0**	Not implemented
03	Does the city council ensure the operation of an electronic service for searching the legal regulations it has adopted (by number, keywords, date)?	2	**2**	Implemented
04	Does the city council ensure the operation of a local statistics portal / a separate section of the official website with public thematic dashboards?	3	**3**	Implemented
05	Does the city council provide access to an up-to-date interactive map of civil protection shelters?	2	**2**	Implemented
06	Does the city council provide access to an up-to-date interactive map showing the accessibility of urban infrastructure facilities for persons with disabilities?	2	**2**	Implemented
07	Does the city council provide access to an interactive map of investment sites (greenfield/land plots, brownfield/industrial premises)?	2	**2**	Implemented
08	Does the city council provide access to an electronic service for searching for medicines/drugs purchased with budget funds in municipal healthcare facilities (e.g., eLiky)?	2	**0**	Not implemented
09	Does the city council provide access to an electronic service for searching for medical equipment in municipal healthcare facilities?	2	**0**	Not implemented
10	Does the city council provide access to an electronic service for tracking the location of municipal public transport in real time?	2	**2**	Implemented
11	Does the city council provide access to cashless fare payment on municipal public transport (QR code / contactless NFC payment / virtual transport card)?	3	**3**	Implemented
12	Does the city council provide the option of obtaining a physical cashless transport card?	3	**3**	Implemented
13	Does the city council provide access to electronic services for drivers (interactive parking map / checking for traffic violations / retrieving towed vehicles / etc.)?	2	**2**	Implemented
14	Does the city council provide access to an electronic service for responsible waste management?	2	**2**	Implemented
15	Does the city council provide access to an electronic service with up-to-date energy management / energy monitoring data?	2	**0**	Not implemented
16	Does the city council use a service for conducting e-consultations with the public that, among other things, provides access to an archive of consultations?	2	**0**	Not implemented
17	Does the city council use a service for conducting public e-surveys that, among other things, provides access to an archive of surveys?	2	**0**	Not implemented
18	Does the city council provide online pre-registration for in-person meetings with the mayor and deputy mayors?	2	**2**	Implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
19	Does the city council provide access to a universal electronic appeal form with the option to upload files containing additional information?	2	**2**	Implemented
20	Does the city council provide access to a local e-petition service that, among other things, provides access to an archive of petitions?	2	**2**	Implemented
21	Does the city council provide access to a specialized service for submitting electronic applications/complaints about issues requiring a prompt response, with the option to upload files containing additional information?	3	**3**	Implemented
22	Does the existing specialized service for submitting electronic applications/complaints about issues requiring a prompt response allow users to track the status of an application/complaint?	2	**2**	Implemented
23	Does the city council provide access to a service for online enrollment of children in municipal preschool education institutions (PEIs)?	2	**2**	Implemented
24	Does the city council provide access to an electronic service for tracking the waiting list of children for PEIs?	2	**2**	Implemented
25	Does the city council provide access to a service for online enrollment of children in the 1st grade of municipal general secondary education institutions (GSEIs)?	2	**2**	Implemented
26	Does the city council provide access to a service for booking doctor's appointments online?	2	**2**	Implemented
27	Does the city council provide online pre-registration for the Administrative Services Center (ASC)?	3	**3**	Implemented
28	Does the city council's official or other specialized website contain a list of administrative services available for citizens to order online?	4	**4**	Implemented
29	Does the city council's official or other specialized website contain a list of administrative services for military personnel/veterans available to order online?	2	**0**	Not implemented
30	Does the city council's official or other specialized website contain a list of administrative services for businesses available to order online?	2	**2**	Implemented
31	Does the city council's official or other specialized website contain a form for evaluating the quality of the administrative services provided?	2	**2**	Implemented
32	Does the city council provide online pre-registration for the social protection department/division?	3	**3**	Implemented
33	Does the city council's official or other specialized website contain a list of social services available for citizens to order online?	4	**0**	Not implemented
34	Does the city council provide access to the electronic services of the Ministry of Social Policy?	2	**0**	Not implemented
35	Does the city council's official or other specialized website contain a form for evaluating the quality of the social services provided?	2	**2**	Implemented
36	Does the city council have a comprehensive mobile app with electronic services for residents that was updated in 2024–2025?	5	**0**	Not implemented
37	Does the home page of the city council's official website contain a link to a page dedicated to the comprehensive mobile app, with a list of the available services?	2	**0**	Not implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
38	Is there a version of the comprehensive mobile app for Android?	2	0	Not implemented
39	Is there a version of the comprehensive mobile app for iOS?	2	0	Not implemented
40	Do users rate the comprehensive mobile app highly?	3	0	Not implemented

Fully implemented: 9 of 40

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
01	Is there a separate section (page) on the city council's official website dedicated to the open data of the local self-government body (LSGB)?	4	**4**	Implemented
02	Has a link been published in the separate section (page) dedicated to LSGB open data to the Regulation / Procedure on Open Data approved in 2021–2025 that governs the key aspects of the city council's work with open data?	3	**3**	Implemented
03	Has a link been published in the separate section (page) dedicated to LSGB open data to the internal administrative document that approved, in 2021–2025, the single List of Data Sets Subject to Publication as Open Data (hereinafter, the List)?	2	**2**	Implemented
04	Does the List assign responsibility to specific information managers (executive bodies, municipal enterprises / institutions) for publishing and updating specific datasets?	1	**1**	Implemented
05	Does the List contain information on the update frequency of specific datasets?	1	**1**	Implemented
06	Does the List contain information on the formats in which specific datasets are published?	1	**0**	Not implemented
07	Has a link been published in the separate section (page) dedicated to LSGB open data to the internal administrative document designating the person(s) responsible for publishing open data?	2	**0**	Not implemented
08	Has a link been published in the separate section (page) dedicated to LSGB open data to the decision to accede to the International Open Data Charter?	2	**2**	Implemented
09	Has a link been published in the separate section (page) dedicated to LSGB open data to the city council's unified electronic account on the Unified State Open Data Web Portal?	3	**3**	Implemented
10	Does the separate section (page) dedicated to LSGB open data contain a list with links to online services built on the datasets that the city council publishes as open data?	3	**3**	Implemented
11	Has the "Lists of legal regulations, specifying the date of entry into force, the timeframe for baseline, repeat, and periodic tracking of their effectiveness, and information on the source of their publication" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
12	Has the "Action plan for drafting legal regulations, specifying the types and titles of the drafts, the purposes of their adoption, the timeframes for preparing the drafts, the names of the bodies and units responsible for drafting them, the dates of their submission to the regulatory body for consideration, and a link to the source of publication" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,6**	Partially implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
13	Has the "List of construction titles — new construction, reconstruction, restoration, and capital repairs, as well as routine repairs and public amenity improvements" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0**	Not implemented
14	Has the "List of investment agreements, annexes, supplementary agreements, and other materials thereto, and their terms, including links to resources published on the Internet" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,3**	Partially implemented
15	Has the "Information on vehicles serving passenger bus, trolleybus, and tram routes (make, model, license plate number, passenger capacity)" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
16	Has the "Data on the location of urban electric and road transport stops" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
17	Has the "Information on medicines/medicinal products purchased with budget funds, information on the distribution of such medicines among healthcare facilities, and their remaining stock at each facility" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,6**	Partially implemented
18	Has the "Roll-call results of council member's votes at plenary sessions of the local self-government body" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	4	**0,3**	Partially implemented
19	Has the "Data on council members of local councils, including contact information and public office hours" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**1,2**	Partially implemented
20	Has the "Data on green plantings to be removed under issued green planting inspection reports" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,6**	Partially implemented
21	Has the "Data on the accessibility of buildings for persons with disabilities and other persons with reduced mobility" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,3**	Partially implemented
22	Has the "Data on appeals received by telephone hotlines, emergency dispatch services, call centers, etc." dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,9**	Partially implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
23	Has the "Data on electronic petitions, including the persons who signed them and the outcomes of their consideration" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,6**	Partially implemented
24	Has the "Data on parking, including the location of parking lots, their operators, equipment, and operation" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,3**	Partially implemented
25	Has the "Data on administrative services provided" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**1,2**	Partially implemented
26	Has the "Data on medical equipment of municipal healthcare facilities" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**2**	Implemented
27	Has the "Data on waiting lists for children's admission to preschool education institutions" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
28	Has the "Catchment areas of municipal general secondary education institutions" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,6**	Partially implemented
29	Has the "Data on the registration of citizens in need of improved housing conditions (housing waiting list)" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	4	**0,3**	Partially implemented
30	Has the "Data on the consumption of utilities (electricity, heat energy, natural gas, solid fuel, liquid fuel, cold and hot water, specifying the share of renewable energy sources) by municipal enterprises, institutions, and organizations" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
31	Has the "Data on the real-time location of urban electric and passenger road transport, including short-term changes in transport movement and real-time arrival times at stops" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**1,1**	Partially implemented
32	Has the "List of carriers providing passenger transport services by urban electric and road transport, including transport routes" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	4	**1,17**	Partially implemented

NO.	INDICATOR	MAXIMUM SCORE	SCORE	STATUS
33	Has the "Timetable of urban electric and road transport" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	4	**0,3**	Partially implemented
34	Has the "Data on the repair of local public roads" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
35	Has the "Data on utility tariffs approved by the local self-government body" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**1,2**	Partially implemented
36	Has the "Data on the location of municipal waste containers (by category), container sites, and collection points for hazardous waste and recyclables" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	3	**0,6**	Partially implemented
37	Has the "Data on the location of municipal waste management facilities, their area, and the volumes of waste received" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	4	**0**	Not implemented
38	Has the "Data on the location of civil protection shelters" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0,3**	Partially implemented
39	Has the "Data on the location of charging stations for electric vehicles" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0**	Not implemented
40	Has the "Data on the operational performance characteristics of buildings of municipal enterprises, institutions (facilities), and organizations in which energy management systems have been introduced" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it?	2	**0**	Not implemented
